### What did you learn from the Reality U that surprised you most?

- Daycare cost more than I thought.
- It takes a lot of money to survive.
- How expensive buying food is.
- How little money we had to work with each month.
- Your money is her money.
- You have to make a lot of choices as an adult.

### If you were to share one thing about the Reality U with your parents, what would it be?

- It helped me learn how to save my money.
- It's easy to spend all your money fast.
- I understand how hard they work to survive with all necessities.
- It was hard to pay for things.
- If you pursue the military, you don't have to pay student loans.

- I had to get 3 jobs and get rid of my internet and phone and I was still in debt.

### **What did you like about the Reality U?**

- Everything!
- I liked how realistic it was.
- It was fun to see how to pay for everything and interact with new people.
- The freedom to make important decisions.
- I got the chance to explore my life with the career I want.
- It was very interactive.

### **List one thing you would change about your future after going through Reality U?**

- I would have a kid later.
- I will plan to make more money.
- I might reconsider becoming a doctor because of student loans.
- I'm going to have fewer kids.
- I'm going to work harder in school and get a good job.
- Get a cheaper car first.
